DEPARTMENT OF LABOR

1987 Budget Appendix Page	Heading	1987 Request Pending	1987 Proposed Amendment	1987 Revised Request
	EMPLOYMENT AND TRAINING ADMINISTRATION			
I-P4	Federal unemployment benefits and allowances	$4,000,000	$114,000,000	$118,000,000
	(In the appropriations language under this heading insert and of trade adjustment benefit payments and allowances, as provided by law (part I, subchapter B, chapter 2, title II of the Trade Act of 1974, as amended), after "as amended,".)			

This amendment would provide the funds needed to pay trade readjustment allowances to workers under the Trade Act of 1974, that was extended through 1991 by the Consolidated Omnibus Budget Reconciliation Act of 1985. Fiscal year 1987 outlays would be increased by $114 million.

1987 Budget Appendix Page	Heading	1987 Request Pending	1987 Proposed Amendment	1987 Revised Request
I-P5	State unemployment insurance and employment service operations	23,400,000	language	23,400,000
	(In the appropriation language under this head insert and sections 231-235 and 243-244, title II of the Trade Act of 1974, as amended; after "5 U.S.C. 8501-8523,".)			
I-P6	Advances to the Unemployment Trust Fund and Other Funds	413,000,000	-413,000,000	---
	(Delete the appropriation language under this heading.)			

This proposed language would permit the use of funds to administer payment of Trade Readjustment Allowances under the Trade Adjustment Assistance program. This proposal would not affect outlays.

The provision in the Consolidated Omnibus Budget Reconciliation Act of 1985 waiving interest payments from the Black Lung Disability Trust Fund to the Treasury has eliminated the need for advances to that fund. Unobligated balances at the end of 1986 would be sufficient to make all advances in fiscal year 1987, eliminating the need for any appropriation. This amendment would not affect outlays.

1987 Budget Appendix Page	Heading	1987 Request Pending	1987 Proposed Amendment	1987 Revised Request
	EMPLOYMENT STANDARDS ADMINISTRATION			
I-P16	Black Lung Disability Trust Fund	958,689,000	-727,151,000	231,538,000
	(In the appropriation language under the above heading delete "$910,838,000" and insert in lieu thereof $183,687,000; delete "and interest on advances under subsection (c)(2) of section 9501 of the Internal Revenue Code 1954, as amended, as authorized by section 9501(d)(1), (2), (4), and 7 of that Act" and insert in lieu thereof as authorized by section 9501(d)(1), (2), and (7) of the Internal Revenue Code of 1954, as amended,; and insert Provided, further, That in addition, there are hereby appropriated such amounts as may be necessary

	to repay advances from the Treasury that are not needed to make disbursements during the current fiscal year, as authorized by section 9501(d)(4) of that Act: immediately before "Provided further".}			

This amendment reflects primarily the provision of the Consolidated Omnibus Budget Reconciliation Act of 1985 that waived payment of interest on borrowing from the Treasury for fiscal years 1986 through 1991. It also reflects a reduction in estimated black lung benefits in 1986 and 1987 based on recent experience and on the President's decision to limit to 2% the 1987 increase in Federal pay rates, to which black lung benefits are tied. The amendment reflects fiscal year 1987 outlay reductions of $34 million.

BUREAU OF LABOR STATISTICS

I-P22	Salaries and expenses	159,390,000	1,336,000	160,726,000

This proposal would provide for costs to initiate the reclassification of industrial establishments needed for revision of the Government's Standard Industrial Classification and would increase fiscal year 1987 outlays by $1.2 million.

THE PRESIDENT OF THE UNITED STATES

TRANSMITTING

CERTIFICATION THAT THE UNITED STATES HAS: (1) SUBMITTED TO THE NORTH ATLANTIC TREATY ORGANIZATION A FORCE GOAL STATING THE REQUIREMENTS FOR MODERNIZATION OF THE UNITED STATES PROPORTIONAL SHARE OF THE NATO CHEMICAL DETERRENT WITH BINARY MUNITIONS AND THAT THE FORCE GOAL HAS BEEN ADOPTED BY THE NORTH ATLANTIC COUNCIL; (2) HAS DEVELOPED A PLAN UNDER WHICH U.S. BINARY CHEMICAL MUNITIONS CAN BE DEPLOYED UNDER APPROPRIATE CONTINGENCY PLANS TO DETER CHEMICAL WEAPONS ATTACKS AGAINST THE UNITED STATES AND ITS ALLIES; AND (3) HAS CONSULTED WITH OTHER MEMBERS OF NATO ON THAT PLAN

H180-54

To the Congress of the United States:

Pursuant to Section 8093 of the Department of Defense Appropriations Act, 1986, Public Law 99–190, I hereby certify with respect to the binary chemical munitions program that the United States;

(1) has submitted to the North Atlantic Treaty Organization, a force goal stating the requirements for modernization of the United States proportional share of the NATO chemical deterrent with binary munitions and said force goal has been adopted by the North Atlantic Council;

(2) has developed, in coordination with the Supreme Allied Commander, Europe, a plan under which U.S. binary chemical munitions can be deployed under appropriate contingency plans to deter chemical weapons attacks against the United States and its allies; and

(3) has consulted with other member nations of the North Atlantic Treaty Organization [NATO] on that plan.

I note with regard to the first numbered paragraph that the force goal was adopted by the North Atlantic Council constituted as the Defense Planning Committee in accordance with the North Atlantic Treaty. I am pleased to make this certification on a program so vital to our national defense. We are earnestly seeking, as our top priority in the chemical weapons area, a comprehensive and verifiable ban on all chemical weapons. Until we achieve that goal, we must maintain a safe and viable chemical weapon stockpile to deter use of chemicals by our potential adversaries. I appreciate your continued support for this program.

RONALD REAGAN.
